THE PUBLIC SERVICE COMMISSION OF
SOUTH CAROLINA

DOCKET NO. 93-072-C - ORDER NO. 93-291

MARCH 2, 1993

IN RE:	Request of Southern Bell Telephone)	ORDER APPROVING
	& Telegraph Company for Approval of)	TARIFF AND
	Revisions to its General Subscriber)	CLOSING DOCKET
	Service and Access Service Tariffs)	
	(Ref: TN 92-270))	

This matter comes before the Public Service Commission of South Carolina (the Commission) on the December 11, 1992 request of Southern Bell Telephone & Telegraph Company (Southern Bell) for approval of revisions to Southern Bell's General Subscriber Service Tariff and Access Service Tariff. The purpose of the filing is to obsolete the current FlexServ service offering and to reintroduce a restructured form of FlexServ service. Additionally, FlexServ service is also being included in the access service tariff.

By letter dated December 23, 1992, the Commission's Executive Director instructed the Company to publish a prepared Notice of Filing one time in a newspaper of general circulation in the area affected by the proposal. The Notice of Filing indicated the nature of Southern Bell's Application and advised all interested parties desiring participation in the scheduled proceeding of the manner and time in which to file the appropriate pleadings.

Additionally, the Company was instructed to notify all affected subscribers of the proposed revisions.

A Petition to Intervene was filed on behalf of the Division of Information Resource Management (DIRM). However, this Petition was subsequently withdrawn. No protests were received.

The matter is now before us for final disposition. Since the Petition for Intervention of DIRM has been withdrawn, this Commission believes that no hearing need be held on this matter.

The Commission has examined the Company's filing in this matter and believes that the Company has shown good cause to obsolete the current FlexServ service offering and to reintroduce a restructured form of FlexServ service as stated in the Company's filing. Additionally, this Commission believes that it is appropriate to include FlexServ service in the Company's access service tariff. Given this conclusion, the Commission also believes that this Docket should be closed.

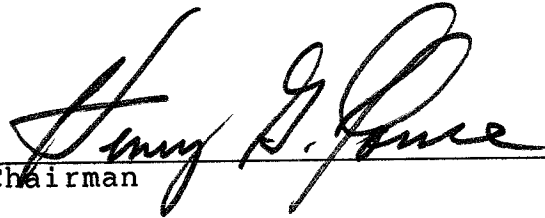

IT IS THEREFORE ORDERED THAT:

1. The request to obsolete the current FlexServ service offering and to reintroduce a restructured form of FlexServ service is hereby granted.
2. FlexServ service may hereby be included in the access service tariff.
3. A hearing originally scheduled for Tuesday, April 27, 1993 is hereby cancelled.

4. The Docket in this matter is hereby closed.

5. This Order shall remain in full force and effect until further Order of the Commission.

BY ORDER OF THE COMMISSION:

Chairman

ATTEST:

Deputy Executive Director

(SEAL)
